Why Golf FORE! The Kids?

Proceeds from Golf FORE! The Kids will make a difference to so many by helping ChildServe provide extraordinary, life-enhancing opportunities for children with special health care needs.

Thanks to your involvement, a child whose parents were forced to use their respite allocation because of a family emergency, will receive it; a young girl who needs a hearing aid but her family has no resources, will hear; and a teenager who wants to be like everyone else, will have a wheelchair that fits his six-foot frame with headlights like his friends' cars.
