SUMMER EXPLORERS

A fun and educational summer program designed for children ages four and five.

ChildServe is definitely the coolest place to spend the summer. We develop fun themes, games, activities and field trips, all with a careful eye on safety and security. Our teachers keep children engaged and entertained, and give them even more opportunities to learn and grow.

The Summer Explorers program offers fun, adventure, and learning that is sure to make this summer the best yet! Here are just a few of the memory-making activities we have planned:

make THIS SUMMER THE BEST YET FOR YOUR CHILD!

(SHHH... PLUS KEEP THEM SHARP AND READY FOR SCHOOL IN THE FALL!)

OUTDOOR activities

Let's make the most of the beautiful summer weather and spend as much time outdoors as possible! Our new playground and planned activities such as soccer camp, cheerleading camp, and the ChildServe Olympics are sure to keep us active all summer long.

WEEKLY music PROGRAM

Ms. Shelly, Music Therapist with Kids in Harmony, will visit weekly to lead the kids in educational and therapeutic music activities.

PROGRAM Dates

The fun begins June 7th and ends August 16th. ChildServe's Summer Explorers program is offered on a full-time basis, Monday through Friday during normal center hours only.

WEEKLY swimming

No sunburns or cold morning weather for kids who swim in our indoor 94° pool! Lifeguards are always on site and teachers swim too.

EDUCATIONAL PROJECTS

Most summer programs offer plenty of play; but how many keep your child ready for school while creating joyful, lasting summer memories? Learn the basics of PowerPoint and how to give a presentation to friends, keep math skills sharp through fun activities (not worksheets!), and get messy with hands-on science projects.

TUITION

\$170/week + one-time activity pass fee of \$90.
(No worries about remembering to bring extra field trip money!)

MEALS PROVIDED

Meals are included in tuition. Morning snack, lunch, and afternoon snack all follow credible CACFP guidelines.
