

Let's Play

13TH ANNUAL BUBBLE BALL
SATURDAY, MAY 13, 2023

Social Hour at 5:30 PM • Show at 7:00 PM
Iowa Events Center • Hy-Vee Hall

Des Moines' Can't Miss Event

The Bubble Ball is ChildServe's signature gala — and one of Des Moines' most unique events! Volunteer designers debut their BUBBLE WRAP® creations as part of a themed runway show production and gallery of stationary designs. Attendees are treated to dinner and musical entertainment, performances and other surprises.

Let's Play!

We can't wait to showcase this year's theme – Let's Play! At ChildServe, play is an essential part of each child's therapeutic and skill-development goals – that's one of the main reasons **play** is incorporated into this year's show. Join us as we bring designs to stage featuring all kinds of recreational activities, from basketball to figure skating and everything in between. Sponsorship opportunities for this traditionally sold-out event will be available beginning October 2022.

Sponsorship Opportunities

Presenting Sponsor • \$25,000

ChildServe has Iowa's only free-standing pediatric rehabilitation inpatient unit and supports up to 1,000 children each week through outpatient physical, occupational and speech therapy services. This top sponsorship could fund specialized, state-of-the-art equipment to assist children in reaching their therapy and mobility goals.

Recognition benefits include: Four tables of 8, logo recognition in the event program, event slides and website, verbal recognition at the event, and in event media promotions.

Gold Sponsor • \$15,000

ChildServe's long-term care unit provides 24-hour specialized nursing care for children and young adults who are unable to live at home due to their complex medical conditions. A gold sponsorship could support critical equipment to monitor and improve the health of these children.

Recognition benefits include: Three tables of 8, logo recognition in the event program, event slides and website, and verbal recognition at the event.

Silver Sponsor • \$10,000

Each year one in 54 children are diagnosed with autism. The need for services to support these children and their families continues to grow, and ChildServe is uniquely positioned to help with over 100 staff providing support in this program area. Silver sponsors can help provide important clinician training to administer a specialized parent and child interaction therapy for families.

Recognition benefits include: Three tables of 8, logo recognition in the event program, event slides and website.

Bronze Sponsor • \$5,000

ChildServe has 16 group homes in the Des Moines metro that provide a comfortable, nurturing environment for children and young adults who need round-the-clock supervision or medical care. Bronze sponsorships could fund items in these homes to foster more play, including swing sets and furniture.

Recognition benefits include: Two tables of 8, recognition on event slides, event program, and website.

Table Sponsor • \$3,500

ChildServe excels at coordination and collaboration between services. Along with comprehensive care across the continuum of programs, we partner with families to recommend the right programming, resources and funding options children need to thrive. Your table sponsorship could aid in supporting a family's entire journey of caring for a child with special healthcare needs.

Recognition benefits include: One table of 8.
