Outright gifts of non-cash assets may provide you savings on capital gains taxes and a charitable income tax deduction. ChildServe benefits by using these funds to help even more children live a *great* life. Your non-cash assets can also be used for tax-wise, long-term strategies to provide income for you or your beneficiaries through an annuity or a trust.

Finding the best combination of gifts to meet your charitable and financial goals can be challenging. We are happy to work with you and your financial advisor or estate planning attorney to help you find the best giving options to meet your needs.
